Philadelphia Paid Sick Leave Supplement

Policy No. HR-204-PHL. Supplement to the Nationwide Paid Sick Leave Policy, HR-204. Applies to colleagues whose work location of record is in the City of Philadelphia. It does not apply elsewhere in Pennsylvania.

Coverage

Philadelphia colleagues accrue and use paid sick leave on the nationwide schedule. This supplement adds the complaint and anti-retaliation rights described below.

Right to File a Complaint

A colleague who works in Philadelphia and believes that paid sick leave was denied, or that they were retaliated against for requesting or taking leave, may file a complaint with the city agency administering the ordinance within one hundred eighty (180) days of the alleged violation. A colleague may also bring a civil action. These rights are in addition to, and not a replacement for, Meridian's internal reporting channels.

Posting and Notice

The required city notice is posted in each Philadelphia office and is available in People Central. Colleagues who work remotely in Philadelphia receive the notice electronically at hire and annually thereafter.

> A colleague working in Pittsburgh or elsewhere in Pennsylvania is not covered by this supplement and should follow the nationwide policy.
