Seattle Paid Sick and Safe Time Supplement

Policy No. HR-204-SEA. Supplement to the Nationwide Paid Sick Leave Policy, HR-204. Applies to colleagues whose work location of record is in the City of Seattle.

Employer Tier

Meridian Financial Group is a Tier 3 employer for purposes of the Seattle Paid Sick and Safe Time Ordinance. Tier 3 status affects the carryover amount described below.

Accrual and Carryover

Item	Seattle	Nationwide
Accrual rate	1 hour per 30 hours worked	1 hour per 30 hours worked
Year-end carryover cap	108 hours	40 hours
Annual use maximum	No separate cap	56 hours

The higher Seattle carryover cap replaces the nationwide cap. A Seattle colleague who ends the year with ninety accrued hours carries all ninety forward.

Household Member

For safe-time absences, household member includes a spouse, a domestic partner, a former spouse, a parent of a shared child, and any individual with whom the colleague shares a residence. This definition is broader than the family member definition in Section 6 of HR-204 and applies only to safe-time absences in Seattle.

Separation and Rehire

If a Seattle colleague is rehired within twelve (12) months, previously accrued and unused hours are reinstated.
